To: Mayor Foreman, Members of Council and Mr. Taber

From: Gregory Tkac

Date: June 30, 2012

Subject: Public Works activities for the Month of June 2012

STORMWATER

Students from Rippon Middle School performed the first monthly round of Quantico Creek sampling and bacteria analysis. Monthly testing will be completed for one year. Results are being transmitted to DEQ, who will evaluate the status of the creek.

PLAN REVIEW/PERMITS

The Public Works Department issued 21 permits this month and has monitored the progression of work on all active construction projects within the town.

TRANSPORTATION/ROADS

Tripoli Boulevard Drainage Improvement Project - The right of way acquisition is currently underway for this project, the plans have been finalized and we are prepared to go to construction when the right of way is complete.

Main Street Intersection Project – Public Works held a utility coordination meeting this month with all utility companies involved with the project. The utility companies are preparing cost estimates for the relocation of their assets and we will be meeting again within the next month. Survey is completed the drainage design and alignment is being worked on and positive progress is being made on this project. The schedule follows:
